About Us

Founded in Kayseri/Türkiye in 2004, Çakmak Ev Gereçleri operates from a modern, integrated production facility with 30,000 m² of open space and 17,000 m² of enclosed space. Under its registered Eurostep brand, the company is Türkiye's largest manufacturer and supplier of household step ladders.

Thanks to our high annual production capacity and advanced robotic welding technologies that set us apart in the industry, we maintain our position as a leading supplier in the domestic market while providing wholesale products to our distributors in more than 50 countries.

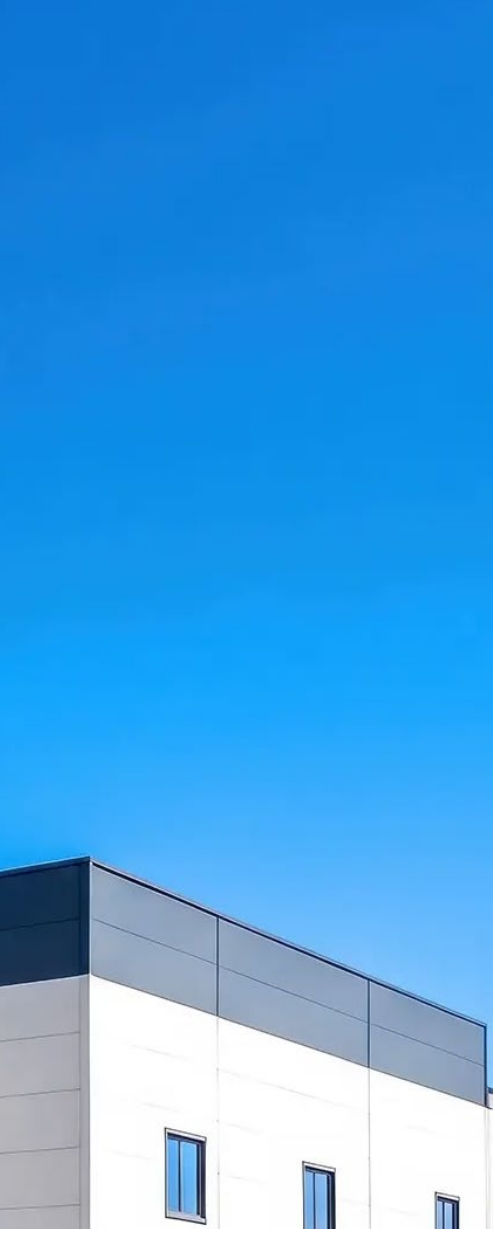

Global Vision

Under our registered Eurostep brand, we bring our high-quality products to global markets, placing customer satisfaction at the heart of everything we do.

Modern Production & R&D

With our advanced machinery and experienced team, we conduct our R&D activities with great care and develop innovative solutions.

With our dynamic team and a clear focus on our goals, we proudly serve customers in both domestic and international markets.

Hakkımızda

2004 yılında Kayseri’de kurulan Çakmak Ev Gereçleri, 30.000 m² açık 17.000 m² kapalı modern entegre üretim tesisinde, tescilli Eurostep markasıyla Türkiye’nin en büyük ev tipi merdiven üreticisi ve tedarikçisi olarak faaliyet göstermektedir.

Yüksek yıllık üretim kapasitemiz ve sektörde fark yaratan robotik kaynak teknolojilerimiz sayesinde, hem iç pazardaki lider tedarikçi konumumuzu koruyor hem de 50’yi aşkın ülkedeki distribütörlerimize toptan ürün tedariği sağlıyoruz.

Küresel Vizyon

Tescilli Eurostep markasıyla yüksek kaliteli ürünlerimizi dünya pazarına sunuyor, müşteri memnuniyetini merkeze alıyoruz.

Modern Üretim & AR-GE

Teknolojik makine parkurumuz ve uzman ekibimizle AR-GE çalışmalarını titizlikle yürütüp yenilikçi çözümler üretiyoruz. Dinamik kadromuzla, hedeflerimiz doğrultusunda yurt içi ve yurt dışına gururla hizmet sunmaktayız.
